The exhibition carpet is a covering that dresses any event, fair or event of short duration. Given its ease of placement, it is especially suitable for events in which assembly time is very limited, such as fairs, exhibitions, celebrations, inaugurations, etc...

It is presented in smooth punch carpet format, in rolls of 60.00 x 2.02 meters, made of 100% polypropylene in binder resin.

This high quality carpet has a Bfl-s1 flame retardant certification. It is fixed directly to the floor with removable double-sided tape without leaving any residue, and covered with protective plastic during the assembly phase.

The main advantages of this type of carpet are:
- High degree of comfort
- Simple installation and / or replacement
- Easy maintenance
- Good visual impact
- Good level of sound absorption
